PRESS RELEASE

JKNDP President Asif Nabi Dar Strongly Condemns Assassination Attempt on Dr. Farooq Abdullah

PULWAMA — **Mr. Asif Nabi Dar, President of the Jammu and Kashmir National Democratic Party (JKNDP)**, today issued a strong statement condemning the recent deadly attack on the **former Chief Minister of Jammu and Kashmir and National Conference President, Dr. Farooq Abdullah**.

Expressing deep shock and concern over the incident that took place in Jammu, **Mr. Asif Nabi Dar** described the attack as a "cowardly act" and a "grave assault on democratic values."

"It is very sad and disturbing news that a deadly attack was carried out on a leader of **Dr. Farooq Abdullah** Sb's stature. Such acts of violence have no place in a civilized society and represent a serious security lapse that must be addressed with the utmost urgency," said Mr. Asif Nabi Dar.

The JKNDP President extended his relief that **Dr. Farooq Abdullah** escaped the attempt unhurt, credits the swift action of the security detail, and offered his prayers for the veteran leader's well-being. He further called upon the administration and the police to ensure a high-level, transparent investigation to uncover the motives and any potential conspiracy behind the breach.

"We stand in solidarity with the principle of peace and democratic dialogue. Violence against political leadership only serves to undermine the stability of our region," **Mr. Asif Nabi Dar** added.

The Jammu and Kashmir National Democratic Party urges the authorities to review and strengthen the security protocols for senior political representatives to prevent such life-threatening incidents in the future.
